

# Golf Day 2018

27<sup>TH</sup> APRIL AT CRANE VALLEY GOLF CLUB, VERWOOD

## THE VTFC GOLF DAY

was first held back in 2006 and has grown over the years. It is always anticipated and is a well-attended event, this year 54 players in 18 teams competed on the day for a selection of top team and individual prizes.

The weather forecast for the day was unfortunately not good at all in the preceding days but on the day whilst the rain did come it was not the monsoon predicted so small thanks were noted although no rain at all would have been very much preferred.

Bacon rolls and hot drinks set the players up for the day ahead, fair battle commenced with teams starting on both 1st and 10th tees from 10:30am with the last team out just before noon.

## WINNING TEAM - "KRIS A"

Seen here receiving their trophies and prizes of "Footjoy Greenjoy Shoes" and "Rushmore Golf Club 4 Ball" from VTFC players Russell Dyer and Matt Gilham are Kris Anderton, Andrew Loader, Danny Loader and Andrew Antell

# Individual Winner - Mick Nash

Seen here receiving the winners plaque and prize of "Head to toe outfit set up" - Hat/Shirt/Shorts/Shoes plus an Al Trullo Italian Meal Voucher from Verwood Town Football Club Chairman Martin Gilham

At the halfway point free drink/snack refreshments were served by our club helpers, a chance to shelter from the rain with a beer and chocolate is always welcome.

Once the battle was over the players hit the clubhouse, the bar was busy, and the ham, egg and chips were most welcome.

Like any fundraising event sponsors are essential, Verwood Town Football Club are very grateful to the following sponsors who all contributed for the day, their support is much appreciated!!

A big thank you must go out to all of the Verwood Town FC helpers/volunteers for the day. A big thank you also to Derek Baynes and the CVGC marshalling team who helped with getting arriving players quickly parked up as well as out on the course helping the golfers move along smoothly. The CVGC clubhouse staff - bar, shop, management were all brilliant and massively contributed to the days success.

Finally, big appreciation and thanks to the golf day organising team as well as support from the club chairman and other committee members. It is hoped that the day will raise almost £3k for the club which is much needed and very much appreciated.

It takes a great team of people to organise and run a day like this and without the team it simply doesn't happen. Participants in the day noted that despite the weather they still enjoyed the day and that is testament to the hard work of those who have helped in any way.
