Today the curtain comes down on the 1991-92 league season although the Final of the B.S.Cup still remains.

Time to reflect back on the season, what might of been, what nearly was.

It was a nearly season for us. Silly points were squandered to poor opposition in the first half of the season. We rallied in the new year, embarking on a long unbeaten run only to be thwarted by eventual champions Winchester City on Easter Monday. Other results since then will probably dictate that we finish no better than fifth but you cant hide from the League table and this exposes our inconsistencies over the whole campaign. Improvements will be made as and when seen fit to try and ensure promotion will be gained next season.

Moving off the playing side I would like to thank those of you who have stood on the touchline through thick and thin, snow and rain etc. The attendances at both Easter games were exceptional and contributed to the players performances. Sometimes I wonder what we have to do to entice local people out of their homes but the last two months have seen a marked improvement in spectator numbers. Things would improve much further if we were allowed the opportunity to develop our own ground and facilities.

But thats another story!

NOTE.-THE BMTH SENIOR CUP FINAL BETWEEN OURSELVES AND HAMWORTHY WILL TAKE PLACE AT DEAN COURT ON TUESDAY 5th MAY IF AFC BOUNEMOUTH DO NOT MAKE THE DIV3 PLAY-OFFS. IF THEY DO, THE DATE WILL BE TUESDAY 12th MAY. PLEASE COME AND SUPPORT US.

VERWOOD TOWN 1 WINCHESTER CITY 2

This was it.No more chances to hide.Both sides knew that the winners of this game were almost certain to gain promotion.Both teams had had morale boosting wins on Saturday,the weather was warm with a little breeze,the pitch was in fine shape and the scene was set for a fine match.

Nortoriously slow starters,surprisingly we set off at a cracking pace,rocking City back on their heels.The game was barely three minutes old when Gale broke free and hit a rasping left foot drive past a startled Winchester keeper.1-0

Encouraged by this start we swept forward in wave after wave of attacks;several chances came and went the best of which fell to Tubbs who slipped the ball wide of the post with only the keeper to beat.Our left hand side was particually prominent at this time with Gale and Pharoah instigating most attacks.Such was our dominance that City were reduced to only one worthy first half effort when their centre-forward was left free to drift a header narrowly around the post from six yards.

We knew to attempt to sit back on a half time lead would be suicidal but when the second half started it became apparrant that our opponents had found another gear and such was their quality that we were forced into a rearguard action.Tubbs and Arnold were working overtime to subdue the class of Nichols in the Winchester midfield attempting to weather the storm.It was beginning to look as if we had done just that when a corner fell to Nichols facing away from our goal.In an instant he swivelled and hooked the ball past a stranded Ashley.The quality of the goal showed why the lad has a thirty goal

tally to his name this season. We tried had to regain the initiative but City had their heads up and the incentive of possible title honours drove them forward again.

Twelve minutes from time a Gale backpass was a little short and a Winchester forward nipped in for an opportunist winner.

This was probably one of the best games seen at Potterne for a long time and the fact that we were on the wrong side of the eventual outcome should not detract from the excellent display we gave against the best team in the league.

HANTS LEAGUE DIV.2

25/4/92

OTTERBOUNE 3 VERWOOD TOWN 0

Our hosts are waiting to play in the Hants intermediate cup final, a fine achievement when you consider some 160 teams entered the competition back in August. Even so we were convincing 4-1 winners when the two teams met in the league at the end of last year and I would have expected at least a point from this visit.

Five minutes into the match the Otterbourne centre-forward finished from a narrow angle after being allowed to run unopposed into the area.

We seemed unable to string two passes together and all the goal scoring opportunities of the first half fell to our opponents. We were lucky that the 1-0 half time score was not much worse.

We fared little better in the second half indeed things worsened when Darren Paske was sent-off on the hour. Two more goals were conceded, one a penalty. 0-3 was a very flattering result considering how poorly we played.
