

Verwood Town Football Club

Verwood Town FC are pleased to announce the formation of a Reserve Team for the upcoming football season managed by Tom Curchin. The team will be playing in the Wyvern Hampshire Combination League.

Tom has previously been involved with Wimborne Town FC and last season was managing one of their under 18's teams. Tom says "I am looking forward to the opportunity to step up from under 18's to men's football and manage at Verwood Town FC. Having previously played for the youth team before moving into football management it was an easy decision to make to join the management team. My aim is to help develop players so they can progress to play at a higher level. I'm here to bridge the gap and promote an ethos of if you are good enough you are old enough and we want to put players in an environment they enjoy."

Tom is holding player trials on the evening of Wednesday 23rd June at Potterne Park in Verwood. If you are interested in attending, please contact Tom on 07825 250607 for further details and to register.

Club Chairman, Martin Gilham, Welcoming Tom Curchin our new Reserve Team Manager, to Verwood Town FC
