

Harry Helps Lead the Line

A good day all-round - Verwood Town FC were very happy to have Harry as Team Mascot and help lead out the team for our Reserves game against New Milton Town Reserves in their Hampshire Combination & Development League fixture last weekend.

Harry, (who is affected by a rare congenital condition) was proudly sporting the Verwood Town FC Shirt presented to him by team manager Paul Maloney and was accompanied on the lead out by the Verwood Town team captain Lee Tabor.

On this occasion Harry was also able to bring good fortune to us all with the team marking the day with a 3-0 win. We understand from Harry's parents and his aunt and uncle that he's not taken the shirt off yet! Good on you Harry and thank you for being with the team.
