

VERWOOD TOWN FC

GOLF DAY 2026

Held at Crane Valley Golf Club, Verwood Friday 25th September

Thank you for joining us at Crane Valley Golf Club for the Verwood Town FC annual golf day. From the morning coffee and bacon roll to the 18 holes on the course and the afternoon presentations, your participation made the event a fantastic success.

This year the format was changed to a shotgun start enabling all teams to be present at the end when we held the raffle, auction and presentations. The feedback we received was all positive and we intend to hold a similar event next year.

I would like to thank all the sponsors and businesses who kindly supported this event, because of their generosity and support, we raised vital funds to help Verwood Town Football Club improve facilities, maintain equipment, and provide football for all in the community.

Thank you again for your incredible backing, and we hope to see you on the course again next year!

Regards

Martin Gilham - VTFC Chairman
